About This Content

Figure Flats Token Pack

This product is an installable module containing tokens for use with the Fantasy Ground virtual tabletop. Upon activating the module, the tokens will appear in your Token box for use throughout your game. They have been organized by genre and product name to make it easy to use multiple token pack modules within your game. Tokens are scaled and organized in the following sizes: 32x32, 50x50, 75x75 and 100x100 pixels. This allows you to use the token quality that best meets your needs.
